

Beaulieu Residential

Material Safety Data Sheets

According to the Code of Federal Regulations, Title 29, Chapter XVII, Part 1910, Subpart Z, paragraph (b) (5), finished carpet exhibits performance parameters required in order to be exempt from the OSHA Hazard Communication Act. Because of this, manufacturers are not required to provide MSDS sheets on finished carpets.

If you have any further questions regarding the information listed above please contact the Technical Services Department at 800-227-7211, extension 5045.
